NEW BEGINNINGS

In the summer of 1981 the new Jackson Center Athletic Complex was completed. In addition to a new gymnasium, locker, coaches, and weight lifting rooms, the renovations included extra kitchen and freezer space, restroom remodeling, and a new elementary library. Ground-breaking ceremonies were held on Sunday, February 24, 1980, and a Dedication Ceremony for the new complex was held August 23, 1981.

The 1982 Homecoming festivities took place on Saturday, January 30th. The 1981 king and queen, Danny Sosby and Lisa Knief crowned the new 1982 king and queen, Mark Knief and Becky Metz.

The attendants were: seniors, Shawn Morris and John Homan and Jody Sosby and Kent Cagle; juniors, Shelly Coleman and Chad Paul; sophomores, Shelly Wise and Kevin Doseck; and freshmen, Lisa Homan and Tony Meyer.

Crown bearers were Luke Davis, son of Mr. and Mrs. Tim Davis, and Tabitha Dodds, daughter of Mr. and Mrs. Mike Dodds.

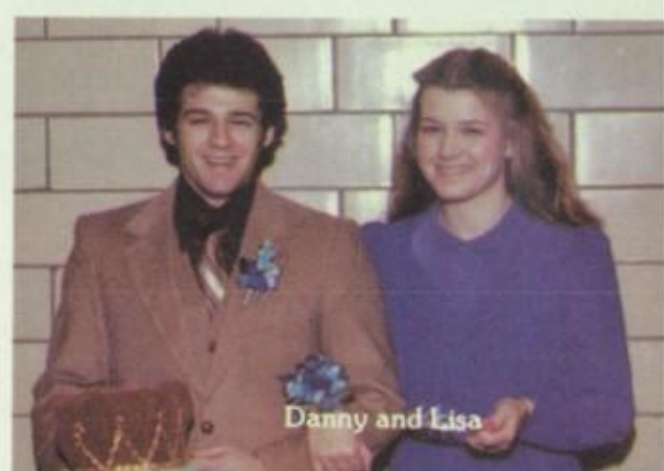

Following the victory over Indian Lake a dance was held in the old gymnasium. It was sponsored by the Student Council. The theme was "Start Me Up" and popular music was played by the disc jockey Disco "Z." Decorations in colors of orange, red and yellow helped to liven up the atmosphere.

The ingredients for a good basketball team are young ball players blending with the senior experience and leadership. This formula developed toward the latter part of the season as the Tigers nearly upset last year's state champion and state semi-finalist this year, the Anna Rockets. The Tigers were fighting all the way, as they battled postponements and cancellations due to bad weather.

In tournament play the Tigers drew the #1 seed, Russia and lost by 5 in the first game. It has been a hard fought year for everyone involved. The 1981-82 team ended their season in a fury of almost near upsets. Their work will be a stepping stone to another strong team next year.

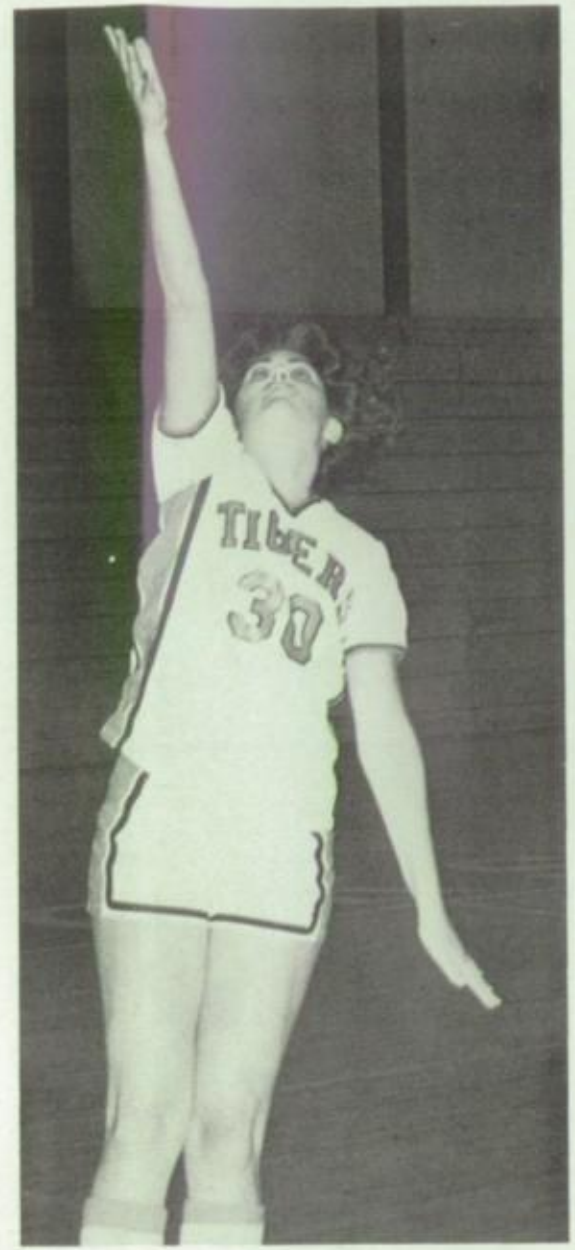

Shawn Morris received the MVP and the Free Throw and Field Goal Awards. Deb Meyer received the Rebounding award.

JR.—SR.

Mr. Lacher

This year the Drama Department tried something different . . . Drama! We also used the portable stage to enhance the bleakness of "*Requiem for a Small Town*", set in an abandoned gym in a ghost town. Bobby Joe was found innocent of murdering the town. The deciding vote was cast by his old girlfriend — a girlfriend he walked out on. Was he really innocent? Or did she want to be rid of him forever?

PLAYS

"Why Do Teachers Go Nuts?" Well, if you had to put up with this bunch you probably would! This year's comedy production gave way to some real acting . . . or was it typecast? By offering three different plays this year, over twenty students were involved.

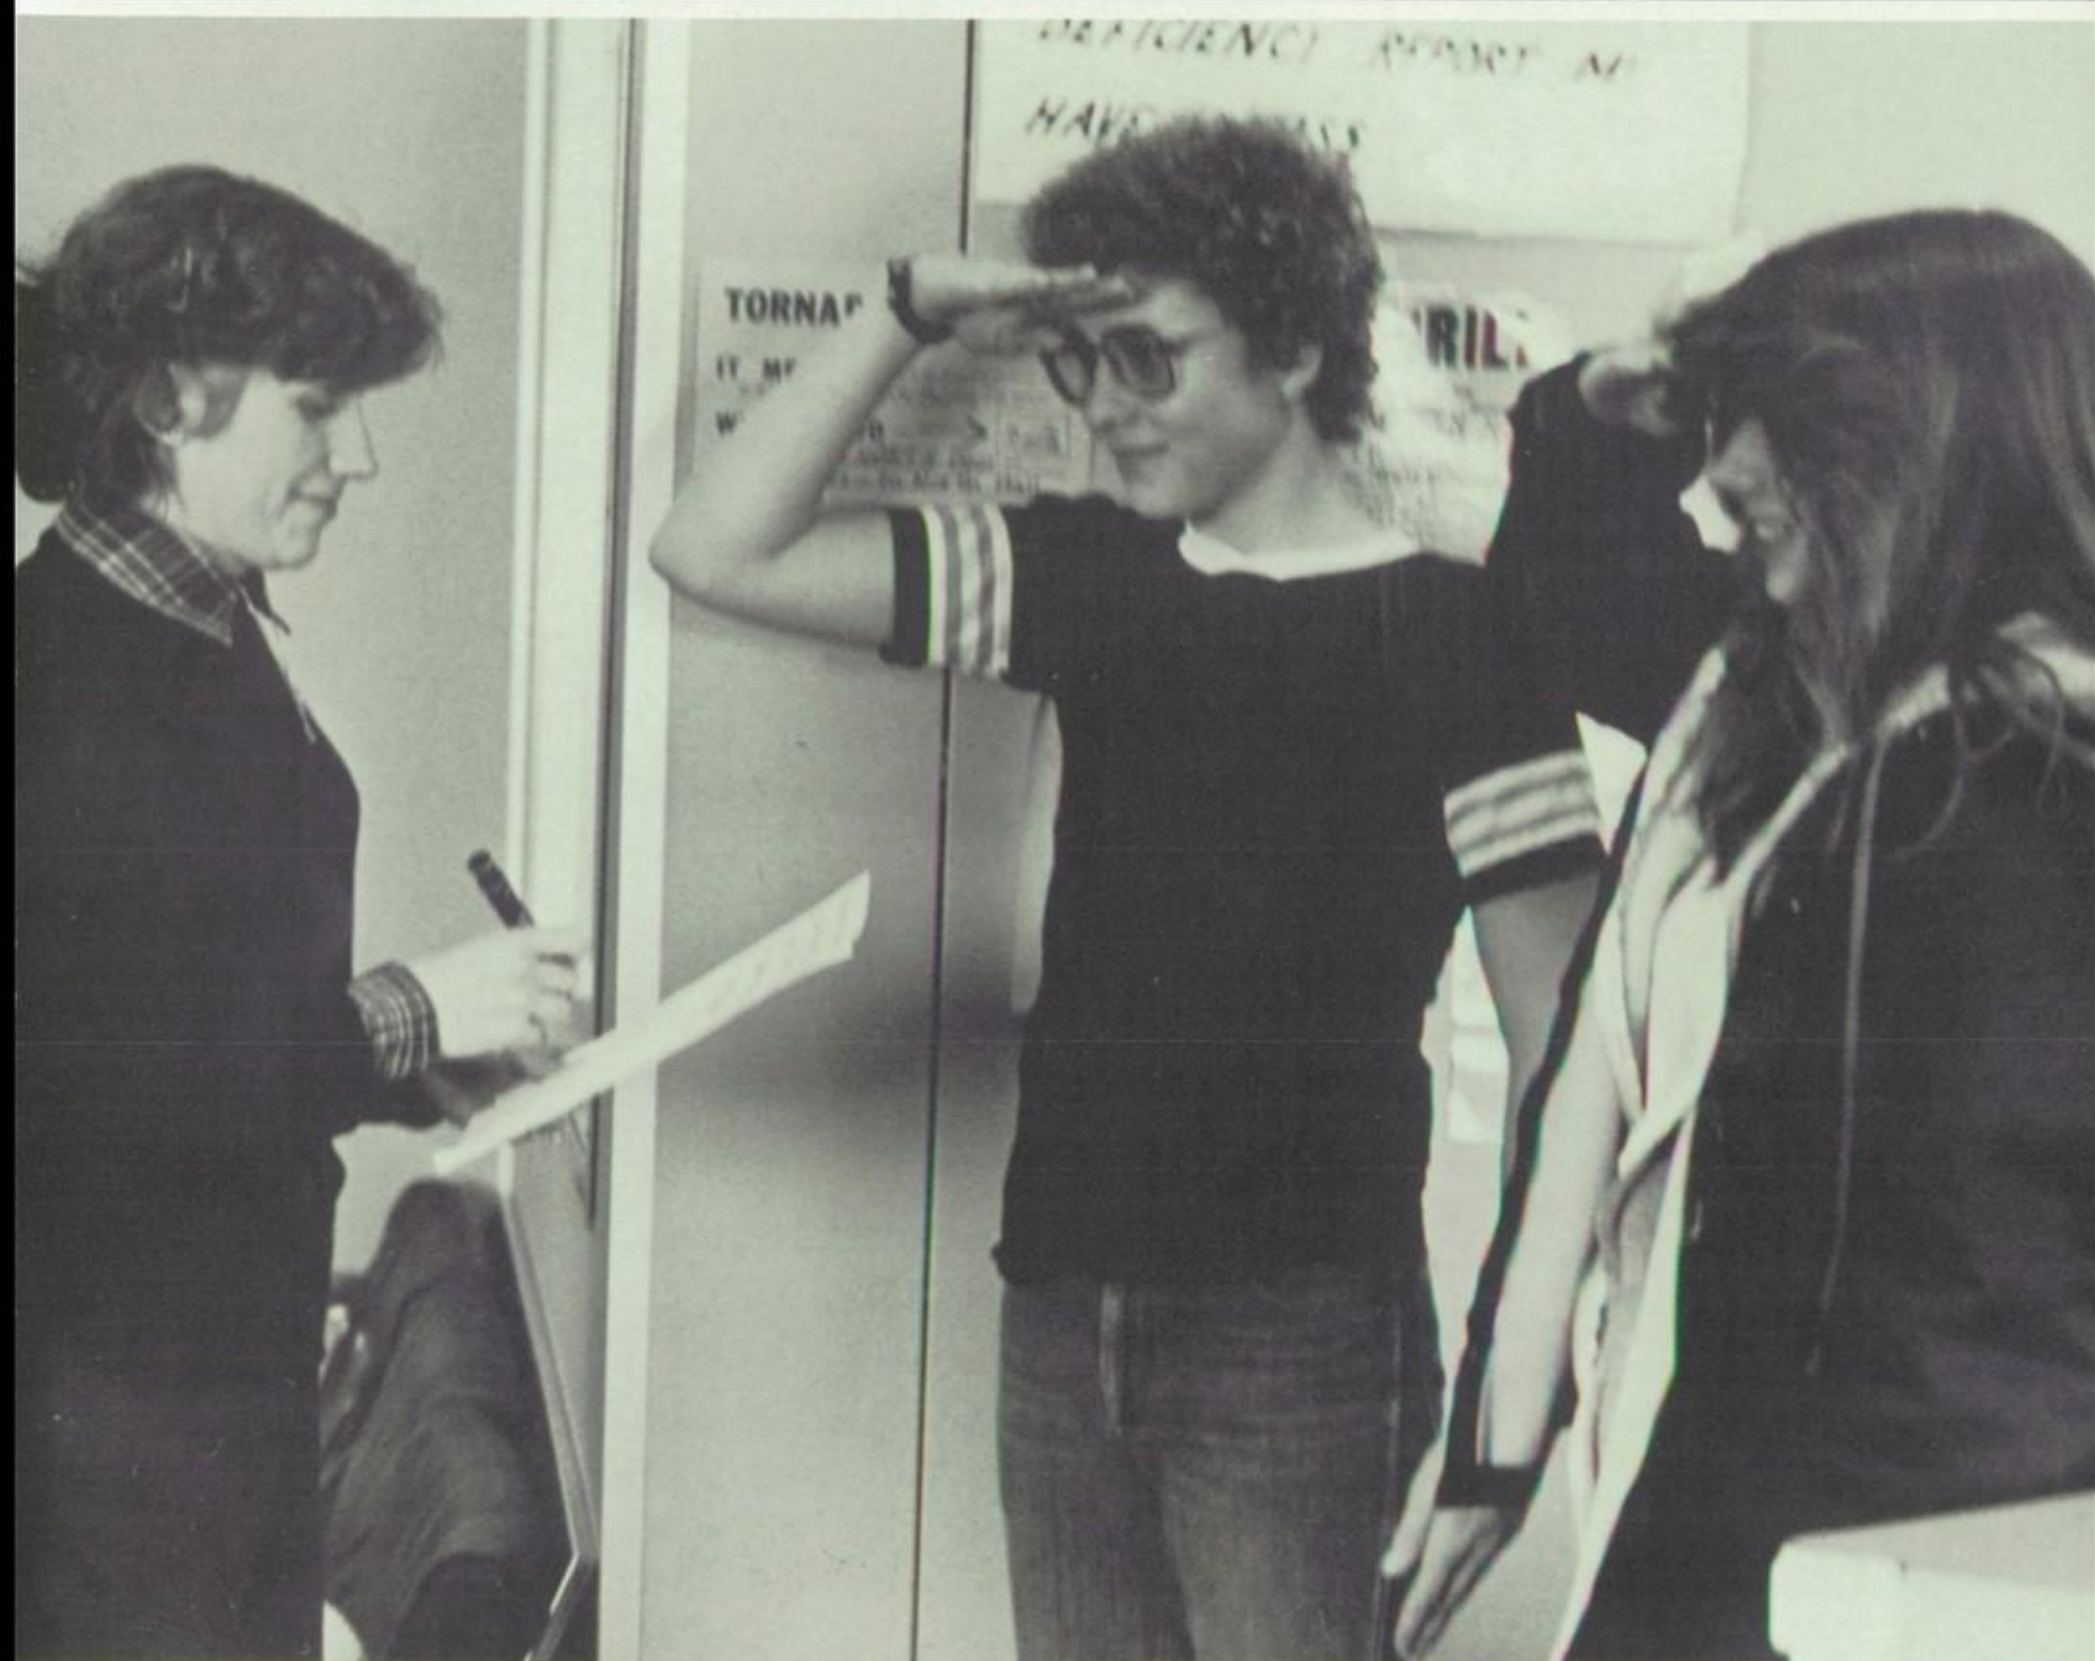

The Storm . . .

Living with the fact that he killed two people — Jeff Mulkey and his wife live every day afraid! Jeff is afraid he can't cope with the guilt, and Mary is afraid she'll lose her husband. Then, both are afraid of the hunter . . . wanting revenge! Serious drama was accepted whole-heartedly by the students and the community. These one-act plays were a great success! Everyone involved really learned something from this year's plays.

A NIGHT TO REMEMBER

JR. SR. PROM 1982

"Stairway to Heaven" was the theme of the 1982 Junior-Senior Prom. The dance was held Saturday May 8, in the high school auditorium. Decorations were in shades of blue and white and included a silver stairway rising out of clouds. Music was by the band "Magic" and afterprom was held at the Wapakoneta Theatre.

A breakfast was held at the home of Teddi Korn early Sunday morning, and a party was held at Scott Doseck's home after decorating Friday night.

1982 ROAR STAFF YEARBOOK DEDICATION

We, the members of the 1982 Jackson Center Roar Staff, hereby dedicate this yearbook to Kathryn Fogt, for twenty-five dedicated years of preparing the food in our cafeteria. For you untiring service, we thank you.

The first part of the paper discusses the importance of understanding the cultural context of the research. It highlights the need for researchers to be sensitive to the values and beliefs of the communities they are studying. This is particularly important in the field of education, where cultural differences can significantly impact learning outcomes. The paper then moves on to discuss the challenges of conducting research in diverse cultural settings. It notes that researchers often face difficulties in establishing rapport with participants and in interpreting their responses. To address these challenges, the paper suggests several strategies, including the use of local researchers and the development of culturally appropriate research instruments. The final part of the paper discusses the importance of ethical considerations in cross-cultural research. It emphasizes the need for researchers to obtain informed consent from participants and to ensure that the research is conducted in a way that respects the dignity and rights of all individuals involved.
